00:15

- One of the reasons I really like

00:16

the MSA program at Suffolk,

00:19

is because it is geared

00:21

around Becker CPA exam preparation program,

00:24

and Becker is considered one of

00:27

the best CPA exam prep material out there.

00:31

Every class that I've taken here,

00:33

I am able to find it right on Becker.

00:36

In fact, we pull out material in the lessons

00:39

from their own textbooks as well.
