

00:01 Hi. I'm Hannah. I'm a broadcast journalism major from Northwood, New Hampshire.

00:04 Welcome to our 10 West and Modern Theatre Residence Hall, located at the corner of Downtown Crossing in the Theatre District.

00:10 Come with me, and we'll take a tour.

00:20 In our 10 West and Modern Theatre Residence Halls, there's student lounge spaces, like this,

00:24 where we can come to relax, hang out with our friends, or catch up on homework.

00:30 Hey, guys.

00:32 Throughout our residence halls, R.A.s put on different programs to help get students connected and build community.

00:38 My favorite program as an R.A. was succulents and sustainability, where students learned different recycling tips and got to plant their own succulents.

00:46 Many different types of room styles here at 10 West and Modern.

00:49 The most common is suite styles, where students will share their own bathroom and common space.

00:55 The other style of rooms we have here are apartments, which are a great stepping stone for our upper class students looking to move off campus.

01:04 Thank you for taking a tour of our 10 West and Modern Theatre Residence Hall with me.

01:08 I hope to see you on campus soon.
