

Technology Information for Arts & Design Students

Both Graphic Design & Interior Design majors have access to the Adobe Creative Cloud Suite including Acrobat, InDesign, Illustrator & Photoshop:

Instructions for Adobe access

https://suffolk.service-now.com/sp?id=kb_article_view&sysparm_article=KB0010915

All Interior Design Students. The following software will be used in various classes:

- AutoDesk/Revit/AutoCad/**3dsMax**
 - New Students Create account using your @su.suffolk.edu email
 - <https://www.autodesk.com/education/edu-software/overview?sorting=featured&filters=individual>
 - Choose Get Started button and follow steps
 - Returning Students
 - *YOU MUST renew your Autodesk before it expires. You will receive an email from Autodesk approximately one month before expiration.*
 - <https://www.autodesk.com/education/edu-software/overview?sorting=featured&filters=individual>
 - If you are unable to access, choose their Get Help button
- Sketchup – Trimble
 - *Students who need access to Sketchup for their course, will receive an email from Trimble.*
 - More instructions here on downloading and installing:
<http://help.sketchup.com/en/downloading-installing-and-authorizing-sketchup>
 - If you exceed 3 concurrent sessions see instructions to clear authorizations:
https://suffolk.service-now.com/esc?id=kb_article_view&sysparm_article=KB0011463
- Enscape – Chaos
 - Students who need access to Enscape for their course, will receive an email from Chaos containing a link to allow them to set a password.
 - See specifics on accessing Enscape in SketchUp and Revit: https://suffolk.service-now.com/sp?id=kb_article_view&sysparm_article=KB0011445
- V-ray – Chaos
 - If your course requires v-ray, create an account with Suffolk email address at their site:
https://accounts.chaos.com/register?return_to=https%3A%2F%2Fwww.chaos.com%2F
 - Once, created ITS will add the license to your account.

Printing: See instructions for printing to all Arts & Design Lasers & Plotters:
