*That Feeling When*

# YOU'RE AT SUFFOLK

When you go to Suffolk University in downtown Boston, you can major in what you're passionate about and explore fields you never knew you'd love. You'll study with professors who will broaden your perspectives and your network. You'll boost your resume with internships and other hands-on learning experiences in class, around Boston, and across the globe. You'll find your scene and your people on our inclusive campus. And you'll connect the dots between what you learn in class and what you do on the job once you graduate.

All while building a life that's entirely your own in one of the world's most opportunity-rich cities.

You won't just do this. You'll feel it.

Welcome to Suffolk—and that feeling when everything's about to come together for you.

***"I JUST KNEW RIGHT AWAY THAT IT WOULD BE AWESOME TO GO TO SCHOOL HERE AND BE SO CLOSE TO EVERYTHING. THE VIBE I GOT WAS THAT I'D BE IN A PLACE WHERE I COULD GET A LOT OUT OF MY EXPERIENCE. AND I HAVE."***

*That Feeling When You*  
**KNOW  
YOU'VE  
ARRIVED**

Turn a corner and run into an art show or performer or market that wasn't there yesterday. Find your favorite bench in the Boston Public Garden and write your papers there. And when you're in class, gaze out the window at the gleaming skyline and think, *I'm going to work there one day.*

That's the thing about Suffolk. We're more than a campus. We're the city that surrounds us.

Get ready to play. Boston's a wonderland of restaurants, stores, museums, sports and entertainment venues, and outdoor spaces that redefine the art of hanging out.

Get ready to work. The city is home to the top names in business, tech, media, the arts, and healthcare—companies that love hiring Suffolk students as interns and employees.

Suffolk is city living every day, and it never gets old.

***"I LIKE THE LITTLE SPOTS OF BOSTON THAT ARE PICTURESQUE. AND IT'S A 10-MINUTE WALK FROM MY APARTMENT TO WHERE THE BROADWAY SHOW TOURS COME. THAT WAS A BIG DRAW: EVERYTHING IS RIGHT HERE."***

# MAJOR IN WHAT YOU LOVE

## The College of Arts & Sciences

Maybe you'll cast your classmates in the play you wrote and direct it on stage. Or you'll spend extra time in the lab, fine-tuning complex experiments. Perhaps you'll run a winning campaign for a candidate or deliver your on-air news report without missing a beat. At Suffolk, you can do what inspires you—and build a career out of it.

There's an art and a science to choosing your major. You'll know when you've chosen just the right one. And you won't just study it; you'll experience it through hands-on classroom learning and dynamic off-campus experiences like site visits and internships.

***"I'VE ALWAYS FELT VERY ENCOURAGED TO PURSUE DIFFERENT SUBJECTS AND INTERESTS. PLUS, I'VE BEEN ABLE TO BUILD SUCH A GREAT NETWORK. I LEARNED ABOUT INTERNING AT THE PAUL REVERE HOUSE WHEN MY FUTURE BOSS CAME IN TO TALK TO MY PUBLIC HISTORY IN PRACTICE CLASS."***
