PRE4
Thank you. I'm going to read you a list of political names in Boston. For each please
tell me if you have a favorable or unfavorable impression. If you are undecided or if
you have never heard of someone, just say so. Let's start with Tom Menino {meh-NEENO}.
        N=                                                      555 100%
        Continue ....................................  1        555 100%

Q4. Is your opinion of Tom Menino {meh-NEENO} generally favorable or generally
unfavorable?
        N=                                                      555 100%
        Favorable ....................................  1        448  81%
        Unfavorable ..................................  2         73  13%
        Heard of/Undecided ...........................  3         32   6%
        Never heard of ...............................  4          2   -%

Q5. Is your opinion of John Connolly generally favorable or generally
unfavorable?
        N=                                                      555 100%
        Favorable ....................................  1        334  60%
        Unfavorable ..................................  2        105  19%
        Heard of/Undecided ...........................  3        104  19%
        Never heard of ...............................  4         12   2%

Q6. Is your opinion of Martin Walsh generally favorable or generally
unfavorable?
        N=                                                      555 100%
        Favorable ....................................  1        344  62%
        Unfavorable ..................................  2        106  19%
        Heard of/Undecided ...........................  3         99  18%
        Never heard of ...............................  4          6   1%

Q7. Is your opinion of Ed Davis generally favorable or generally unfavorable?
        N=                                                      555 100%
        Favorable ....................................  1        255  46%
        Unfavorable ..................................  2         50   9%
        Heard of/Undecided ...........................  3        107  19%
        Never heard of ...............................  4        143  26%

Q8. Is your opinion of the BRA or Boston Redevelopment Authority generally
favorable or generally unfavorable?
        N=                                                      555 100%
        Favorable ....................................  1        142  26%
        Unfavorable ..................................  2        150  27%
        Heard of/Undecided ...........................  3        207  37%
        Never heard of ...............................  4         56  10%
```

Q9. There are two candidates listed on your ballot for mayor - John Connolly and
Martin Walsh. At this point, for whom will you vote or toward whom do you lean
at this time – Connolly or Walsh?

```
        N=                                                    555 100%
        Connolly ....................................... 1    234  42%
        Walsh .......................................... 2    251  45%
        Undecided (DO NOT READ) ........................ 3     58  11%
        Refused(DO NOT READ) ........................... 4     12   2%
```

Q10. If you were standing in the voting booth right now, would you vote Connolly
Or Walsh?

```
        N=                                                     58 100%
        Connolly ....................................... 1      3   5%
        Walsh .......................................... 2      4   7%
        Undecided (DO NOT READ) ........................ 3     51  88%
```

Q9 & Q10 BALLOT TESTS CONSOLIDATED

```
        N=                                                    555 100%
        Connolly ....................................... 1    237  43%
        Walsh .......................................... 2    255  46%
        Undecided (DO NOT READ) ........................ 3     51   9%
        Refused(DO NOT READ) ........................... 4     12   2%
```

Q11. Thinking about how you feel right now, would your vote be more of a vote
FOR Connolly, AGAINST Connolly, FOR Walsh, or AGAINST Walsh?

```
        N=                                                     63 100%
        FOR Connolly ................................... 1      4   6%
        AGAINST Connolly ............................... 2      0   0%
        FOR Walsh ...................................... 3      5   8%
        AGAINST Walsh .................................. 4      0   0%
        Undecided (DO NOT READ) ........................ 5     46  73%
        Refused (DO NOT READ) .......................... 6      8  13%
```

Q12. Did you vote in the preliminary election on September 24th?

```
        N=                                                    555 100%
        Yes ............................................ 1    447  81%
        No ............................................. 2    104  19%
        Undecided (DO NOT READ) ........................ 3      4   1%
```

Q13. For whom did you vote? {ALPHA}

```
        N=                                                    447 100%
        Felix Arroyo ................................... 01    23   5%
        John Barros .................................... 02    27   6%
        Charles Clemons ................................ 03     4   1%
        Dan Conley ..................................... 04    40   9%
        John Connolly .................................. 05    80  18%
        Rob Consalvo ................................... 06    19   4%
        Charlotte Golar Richie ......................... 07    51  11%
        Michael Ross  .................................. 08    34   8%
        Bill Walczak ................................... 09     6   1%
        Martin Walsh ................................... 10    87  19%
        Charles Yancey ................................. 11     4   1%
