26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?

26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?

26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?

26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?

26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. 26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?

26. Mayor Walsh has been actively lobbying the retail company Amazon to locate its national second headquarters here. Typically, mayors can offer tax incentives and other benefits to a company in return for the jobs and economic activity derived from the location of the corporate headquarters. In your opinion, do you think the benefits would outweigh the costs of bringing Amazon to town or would the costs outweigh the benefits?
