The Hon. John J. Moakley
Room 221
Cannon House Office Building
Washington D.C. 20515

Dear Congressman Moakley:

We are a group of citizens living in your district who have become increasingly disturbed about current U.S. policy toward El Salvador and toward all of Central America. President Reagan's recent trip to Central America, in which he reaffirmed his support for the repressive governments of El Salvador, Guatemala and Honduras, as well as his desire to isolate and destabilize the government of Nicaragua, has intensified our concerns.

We would like to arrange a meeting with you during the week of January 3, when we understand you will be back in Boston, to express our concerns, and to discuss your position on this important issue. We will be in touch with your office in the near future to arrange a convenient date.

Thank you for your interest.

Sincerely,
