Creating the Dream Award Nomination Form – Spring 2008

The purpose of this award is to recognize outstanding efforts of an individual, organization, or department within Suffolk University toward creating an inclusive, respectful, and safe climate for members of the AHANA community. The award recipient should demonstrate a sustained and tangible impact on the campus community. Examples of such efforts might include:

- Advocating for AHANA individuals, groups, and issues on campus.
- Coordinating an academic department or staff unit that promotes the professional advancement of AHANA faculty and staff.
- Creating projects and events that promote greater awareness of AHANA issues.
- Designing activities and programs that convey personal safety and mutual respect for and among AHANA students, faculty, and staff.
