

ADMINISTRATIVE FELLOWSHIPS

A number of administrative offices award administrative fellowships as part of the financial aid package. Recipients are typically full-time students and award stipends vary but are approximately a \$12,000 award (\$7,200 posted as a grant and \$4,800 paid bi-weekly). Full-time fellowships require 16 hours of employment per week over 30 weeks. Additional selection criteria must be obtained from the specific department. To apply, please forward a cover letter, resume, and academic transcript(s) to any (or all) of the addresses listed below. Transcripts can be obtained directly from institutions of prior attendance. Note: Please check with Financial Aid for more information. Some part time fellowships are available.

Students in the Administration of Higher Education have an excellent opportunity to secure one of any number of fellowships on campus. The program enjoys solid relationships and partnerships with many campus units, including Student Activities, the Ballotti Learning Center, Admissions, Academic Advising, Residence Life, and Multicultural Affairs, and we have a proven track record of placing students with those and many other offices.
