Is this the first time you are borrowing a Federal Direct Stafford Loan from Suffolk University?

If yes, read the important reminders for first time borrowers below.

Promissory Notes: The Department of Education uses a Master Promissory Note (MPN) for the Direct Loan Program. Because of the multi-year feature of the MPN you are completing this year, you will not be required to complete the form again to receive your Stafford Loan. The Direct Loan Request Form, however, must be completed each year to confirm the amount you wish to borrow. **To complete your MPN online, go to <http://dlenote.ed.gov>.** You will not receive credit on your tuition account until the completed notes are processed.

Loan Entrance Counseling: First time borrowers at Suffolk University must complete loan entrance counseling. This can be completed at orientation, **on the web at www.dl.ed.gov** or at the Office of Financial Aid.
