These programs admit students in the fall, spring, and summer (part-time only) semesters: Communication, Crime and Justice Studies, Political Science, and Education and Human Services.

These programs admit students in the fall and spring semesters: Economics, Graphic Design, Interior Design, Computer Science, and Ethics and Public Policy.

These programs admit students in the fall semester only: Clinical Psychology, Economics (PhD), and Women's Health.

International students should apply for the fall or spring semesters only.

- March 15** Financial Aid (Applicants seeking financial assistance should submit their completed application to Graduate Admission by this date.)
- April 1** Summer Semester
- June 15** Fall Semester
- October 1** Spring Semester for international students
- October 15** Financial Aid (Applicants seeking financial aid assistance should submit their completed application to Graduate Admission by this date.)
- November 1** Spring Semester for domestic applicants

Applications submitted after these dates will be reviewed on a space-available basis. Suffolk University uses rolling admissions.

Suffolk University also offers two PhD programs. Admission is for the fall semester only (rolling admission is not used for our PhD programs). The deadlines for completed applications are as follows:

- December 1** PhD in Clinical Psychology
- February 1** PhD in Economics

**FINANCIAL AID APPLICATIONS**

Graduate fellowships commence in the fall semester. Students applying for these merit-based awards should submit their applications for admission to the Office of Graduate Admission by March 15 (for all programs except the PhD programs). Employees of Suffolk University, their spouses, and dependent children who receive tuition remission are eligible to participate in loan programs only. For an international student to be eligible for Suffolk University fellowship awards or work-study, they must have F-1 or J-1 status. **Your application for financial aid must be submitted to the Office of Financial Aid by April 1.** For further information and forms, please contact the Office of Financial Aid at:

You will not receive your cancelled check, as Suffolk University is required to destroy the check once it has been processed.*

## INFORMATION SESSIONS

Throughout the year, regularly held information sessions acquaint prospective students with Suffolk's graduate programs and give them an opportunity to meet with faculty, alumni, and current students. For dates and information concerning the sessions, please contact the Office of Graduate Admission at 617.573.8302, or visit our Web site at [www.suffolk.edu/gradadm](http://www.suffolk.edu/gradadm).

## GRADUATE ADMISSION POLICY

The graduate programs at Suffolk University seek applications from men and women of diverse educational and social backgrounds who have completed undergraduate work of distinction and who have earned a bachelor's degree from an accredited institution of higher learning.

Suffolk University selects its students and staff without discrimination on the basis of race, color, creed, national origin, gender, sexual orientation, age, or handicap.

## THE GRADUATE ADMISSION COMMITTEE

Entry-level, mid-career, and career-change applicants are all regarded as viable candidates.

The committee devotes extensive and individualized attention to every application, and each candidate is viewed within the context of what he or she has to gain from and offer to the program.

## GRADUATE ADMISSION CRITERIA

The major criteria used in the admission decision process include demonstration of intellectual and academic ability, potential for professional growth as revealed in the applicant's statement of goals and in the letters of recommendation submitted on his or her behalf, performance on a national standardized test, and evidence of personal qualities of motivation, maturity, innovation, and perseverance. With the exception of Computer Science, Economics, and the International Relations track for Political Science, none of Suffolk's graduate programs requires or presupposes a background in a specific undergraduate major or field of specialization.

## PERSONAL INTERVIEW

Although evaluative interviews are not a formal part of the admission process for all programs, prospective graduate students may schedule an appointment with a member of the graduate admission staff to learn more about the degree programs and to discuss academic and professional objectives. Interviews are by appointment only. Appointments for general information may be arranged by calling the Office of Graduate Admission. For answers to program-specific questions, please contact the relevant program director.

Interviews are required for the PhD in Psychology; and MA in Interior Design, Graphic Design, and Teaching programs. In the final stages of the application process, students will be contacted by the department to arrange an interview.

## APPLICATION PROCESS

Applicants may apply to one program only for any individual start term.

To apply to a program in the College of Arts & Sciences, you must submit:

- A completed application form and application fee
- A statement of professional goals
- A current résumé
- Two letters of recommendation (three for PhD in Economics) from either professional or academic sources. Candidates are urged to choose individuals who know them well and who can present a balanced appraisal of their capabilities and of their potential for completing a graduate program. Letters should be written on the recommender's own letterhead and should be sent directly to the Office of Graduate Admission.
- Official transcripts of all prior academic work and proof of completion of the undergraduate degree. Coursework from one institution reported as transfer credit on another school's transcript does not constitute an official record. Failure to submit a transcript from each institution attended will delay consideration of the application. Current college seniors must submit a final transcript indicating the degree earned by the first day of class. Transcripts should be sent directly by the reporting institution to the Office of Graduate Admission; however, a sealed official copy submitted by the candidate is also acceptable.
- Official test scores (see program requirements).
- Portfolio for the Graphic Design and Interior Design programs.

**We strongly encourage you to make copies of all credentials submitted to the Office of Graduate Admission.**

## INTERNATIONAL STUDENTS

All international applicants must complete the international student application on pages 7 and 8 of this graduate application in addition to pages 1–6. See further instructions on pages 7 and 8.

## STANDARDIZED TEST SCORES

Please see your specific program description for requirements. While it is certainly to the student's advantage to score well on a standardized test, it should be remembered that the examination by itself is not an infallible predictor of success in a graduate program. Test results are considered within the context of all other application materials, and there is no absolute score that precludes a candidate from receiving serious consideration by the Graduate Admission Committee.

## DECISION NOTIFICATION & ENROLLMENT DEPOSIT

The Graduate Admission Committee evaluates applications as they become complete and makes every effort to notify candidates of their admission decisions within four weeks of that time. (PhD in Psychology decisions are made by April 1.) An admitted student who wishes to enroll must reserve his or her place in the class by remitting a \$200 nonrefundable deposit, which is credited to the tuition bill at the time of registration. PhD students must remit a \$400 nonrefundable deposit.

To apply for admission to any graduate program in the Suffolk University College of Arts & Sciences, **you must fill out this application completely.**

**You may only apply to one program.** Please fill in your name and Social Security number on the top of each page. Please type or print clearly using a ballpoint pen. Please use the exact same name and spelling on all application materials you submit.

### International Student Information

Suffolk University's graduate programs welcome applications to our full-time programs from fully qualified international students for fall and spring semesters only.

- In addition to the regular application materials, international students whose native language is not English must submit an official TOEFL/IELTS score. To be fully admitted to any graduate program, the student must achieve a score of 213 or above on the computer-based test, 80 or above on the Internet-based test (with 17 or better on each subsection), or 550 or above on the paper and pencil-based test. An official copy of the test results must be sent directly from the Educational Testing Service in Princeton, New Jersey. Or an official IELTS score of 6.5 or higher (all sub-scores at least 6 or better) must be sent directly from IELTS. The TOEFL/IELTS requirement may be waived for international students who are permanent residents of the United States or who have received a baccalaureate degree from a US college or university within the past two academic years.
- International students must submit a statement of financial resources (showing US dollar equivalents) certifying that sufficient funds exist to cover all academic and living expenses for full-time graduate study.
- Because of visa processing regulations, the Office of Graduate Admission must produce I-20 forms by July 20 for fall admission, and October 15 for spring admission. Therefore, international students who need I-20 forms must submit completed applications and financial information by June 15 or October 1.
- Once admitted, all students will automatically be reviewed for merit funds (including fellowships, if applicable). No additional reviews will occur based on subsequent testing. If you wish to retake a standardized test, please ask the Office of Graduate Admission to withhold an admission decision until that office has received the results of the additional test.
- International students seeking merit funding for a spring entry must complete applications and submit all application materials, including applicable testing, no later than October 1.
