

# Connecting to Suffolk University's .....Wireless Network

Choose the wireless connection icon in your taskbar (Windows) or open Airport (Mac), and select the option to view wireless networks. From the available wireless networks displayed, select the SU\_Guest network.

**Notice:** When you click on Connect you may receive a security warning. If you do, simply follow the prompt to proceed with connecting.

Once you have established the connection, open a web browser window. You will be directed to the wireless login page where you will need to enter your credentials to get access to the wireless network. Guests granted wireless network access should use the login credentials provided by your sponsoring Suffolk University employee or group.
