On December 16th SUMC faculty, staff and students held the semester's farewell dinner at Restaurante A Casiña. Once again it was mind-boggling to realize how fast the months had passed. For some students, this final dinner together came on the eve of their departure from Spain, and it was a time of mixed emotions saying good-byes. For others, it meant the start of official vacation until mid-January, when they return to Madrid for spring 2012 here at SUMC. For some of you, "¡Hasta siempre!", and to others, "¡Hasta pronto!".

The Suffolk Madrid Campus will close at 4:30 pm on December 22nd and remain closed until Tuesday, January 3rd, 2012.
