
Ken Kuo-Ting Hung

Assistant Professor - Information Systems/Operations Management

INTELLECTUAL CONTRIBUTIONS:

Refereed Articles

- Dedeke, A. & Hung, K. (in press, 2008). A simulation study of automating parcel sorting in postal industry. *International Journal of Industrial and Systems Engineering*, 3 (5).
- Hung, K. & Liker, J.K. (2007). A simulation study of pull system performance under influence of production conditions. *International Journal of Industrial and Systems Engineering*, 2 (2), 123-136.
- Ryu, S. & Hung, K. (2005). It Takes Two to Tango: Buyer-Supplier Relationship Building. *Journal of Business Case Studies*, 1 (4), 67-75.

Refereed Proceedings

Full Paper

- Hung, K., Ro, Y.K., & Tangpong, C. (in press, 2007). Agent characteristics and compliance behavior in supply chain disruptions. *Decision Science Institute*, 6.
- Tangpong, C., Hung, K., & Ro, Y.K. (in press, 2007). Opportunism in buyer-supplier relationships: The interactionist perspective. *Decision Science Institute*, 6.
- Tangpong, C., Ro, Y.K., & Hung, K. (2007). Student-Manager Surrogacy Revisited: An Empirical Investigation. *Academy of Management, Annual Meeting*.
- Hung, K., Arslan, H., & Hunt, N. (2006). Gone with the Wind. *Eastern Academy of Management 2006 Meeting in Saratoga Springs, NY*.

Abstract Only

- Hung, K. & Arslan, H. (2006). Motivations to Part Commonality. *Production and Operations Management Annual Conference*.

Invited Articles/Reviews

- Hung, K. (2003). An integrated model of logistics and product quality. *Society for Industrial and Applied Mathematics, Toronto, October 2003*. (Invited)

Presentation of Refereed Papers

International

- Hung, K., Ro, Y. K., & Tangpong, C. (2007, November). *Agent characteristics and compliance behavior in supply chain disruptions*. Accepted for Decision Science Institute, Phoenix, Arizona.
- Tangpong, C., Hung, K., & Ro, Y. K. (2007, November). *Opportunism in buyer-supplier relationships: The interactionist perspective*. Accepted for Decision Science Institute, Phoenix, Arizona.

Tangpong, C., Ro, Y., & Hung, K. (2007, August). *Student-Manager Surrogacy Revisited: An Empirical Investigation*. Presented at Academy of Management, Annual Meeting, Philadelphia, Pennsylvania.

Arslan, H. & Hung, K. (2006, April). *Motivations to Part Commonality*. Presented at Production and Operations Management Annual Conference, Boston, Massachusetts.

Hung, K. & Arslan, H. (2005, November). *Motivations to Part Commonality*. Presented at Decision Science Institute, San Francisco, United States of America.

National

Hung, K., Arslan, H., & Hunt, N. (2006, May). *Gone with the Wind*. Accepted for Eastern Academy of Management 2006 Meeting in Saratoga Springs, NY, Saratoga Springs, New York.

Presentation of Non-Refereed Papers

International

Hung, K. (2003, October). *An integrated model of logistics and product quality*. Invited presentation at Society for Industrial and Applied Mathematics, Toronto, Canada.

Local

Hung, K., Molino, D., & Ryu, S. (2007, March). *Effect of Information Availability on Bullwhip Effect in Healthcare Service Supply Chains*. Invited presentation at 2007 Suffolk University Academic Conference, Scholarship of Application: Integration & Connections, Boston, Massachusetts.

Hung, K. (2005, October). *Overview of Toyota Production System and its Role in China's Emerging Market*. Invited presentation at Lingnan University Executive MBA Presentation, Boston, Massachusetts.

Hung, K. (2005, September). *Just-in-Time Logistics and Supply Chain Stability*. Invited presentation at Presentation at the Center for Innovation and Change Leadership, Suffolk University, Boston, Massachusetts.

Hung, K. (2002, November). *Quality implication of just-in-time logistics*. IOE Alumni Reunion, Ann Arbor, Michigan.

Research Grants

Funded-Internal

2007 - "Faculty Research Grant," Sawyer Business School, Suffolk University, (\$3,000).
