

150 Tremont Improved Recycling Signage

Part of the Single Stream Pilot

Before

After

Special thanks to Sustainability Assistant Rachel Schwartz for creating and posting the new and improved signage

Before

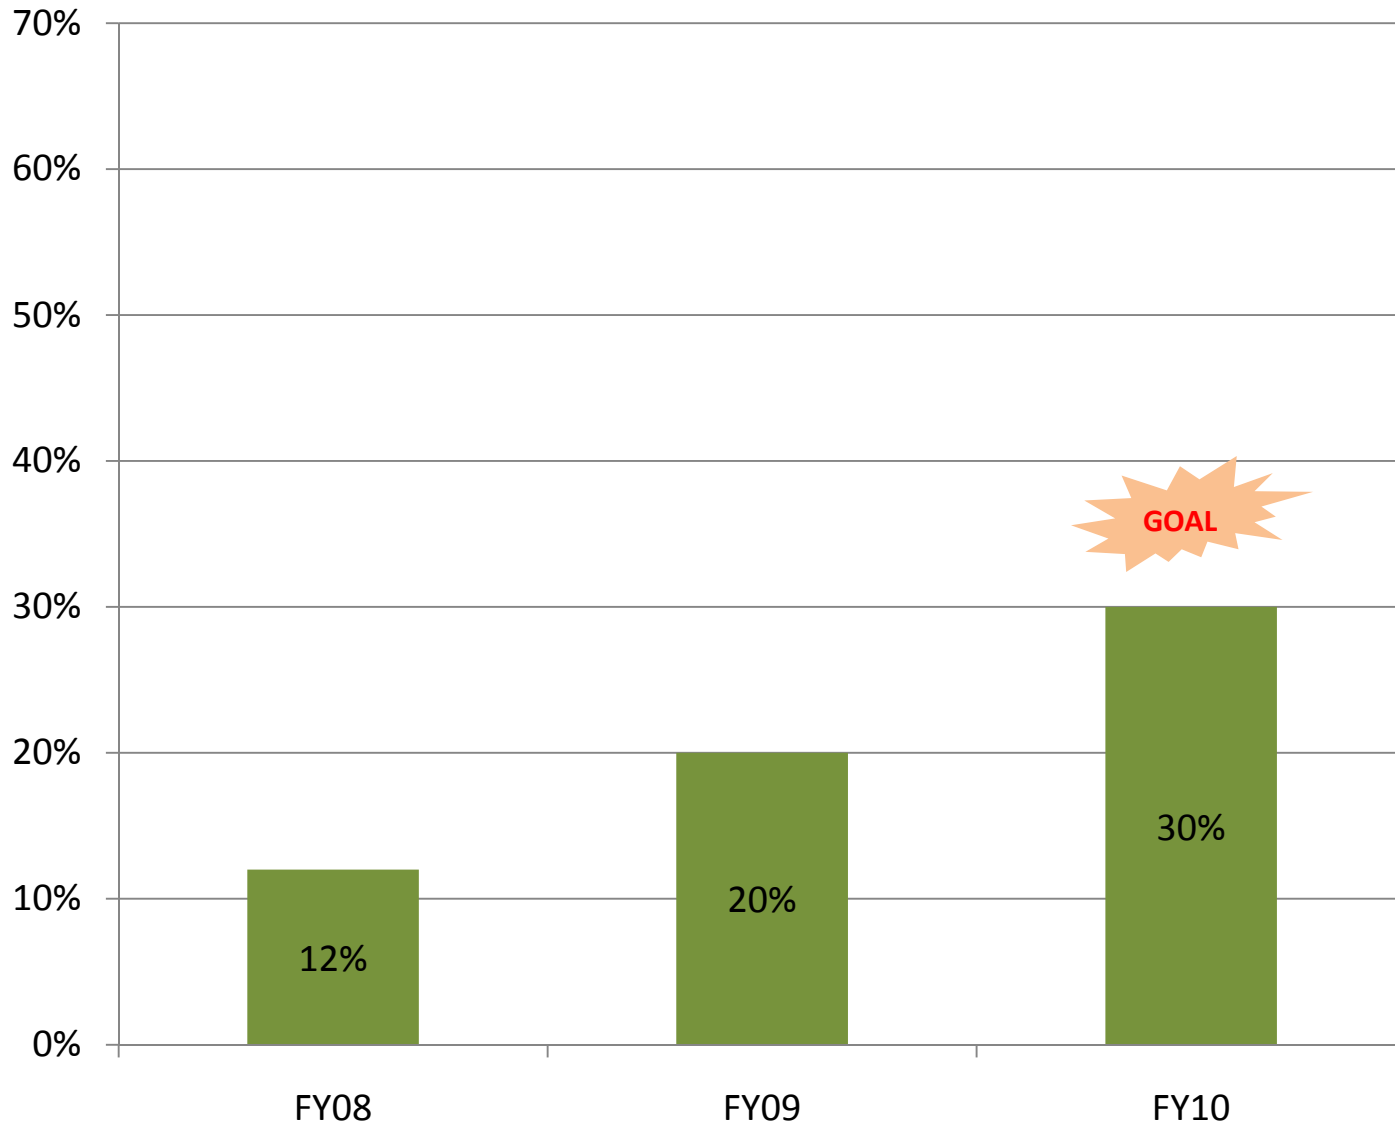

After

Café Recycling Signage

150 Tremont average recycling rate

Pilot Evaluation

- During the Fall 2009 semester, the Single Stream Pilot will be promoted and the impact on trash and recycling will be evaluated.
- A decision will be made about continuing, discontinuing, or expanding the Single Stream Program.
- For questions or comments, contact recycle@suffolk.edu.
