

## Suffolk University 2009 Recycle Mania Performance Summary

Recycle Mania is an annual recycling and waste reduction competition for US colleges and universities

### Recycle Mania 2009 Massachusetts Participant Recycling Rates

Rate reflects what percentage of the total waste stream is being recycled

## Suffolk University Recycle Mania National Placements by Category

### Grand Champion - Competition Division

Schools participating in both the Per Capita Classic and the Waste Minimization competitions are eligible to become the Grand Champion of RecycleMania. The Grand Champion will be the school that, based on their combined results, demonstrates the greatest achievement in both source reduction and recycling.

	Rank	Percentage Recycled
	42	38%
Total Schools competing	206	
Percentile	20%	

### Per Capita Classic

In this competition schools are competing to see which can collect the largest amount of acceptable recyclables per person.

	Rank	Cumulative Recyclables Pounds/Person
	118	13
Total Schools competing	293	
Percentile	40%	

### Waste Minimization - Competition Division

In this competition schools are competing to see which produces the least amount of municipal solid waste (including both recyclables and trash) per person.

	Rank	Cumulative Waste Pounds/Person
	39	34
Total Schools competing	148	
Percentile	26%	

### Gorilla Prize - Competition Division

In this competition schools are competing to see which can collect the highest gross tonnage of recyclables, regardless of campus population.

	Rank	Cumulative Recyclables Pounds
	111	107,605
Total Schools competing	293	
Percentile	38%	

## Suffolk University Recycle Mania National Placements by Category

### **Targeted Material - Paper - Competition Division**

In this competition schools are competing to see which can recycle the largest amount of paper per person.

	Rank	Cumulative Paper Pounds/Person
	60	6.61
Total Schools competing	204	
Percentile	29%	

### **Targeted Material - Corrugated Cardboard - Competition Division**

In this competition schools are competing to see which can recycle the largest amount of corrugated cardboard per person.

	Rank	Cumulative Corrugated
	129	3.04
Total Schools competing	204	
Percentile	63%	

### **Targeted Material - Bottles and Cans - Competition Division**

In this competition schools are competing to see which can recycle the largest amount of bottles and cans per person.

	Rank	Cumulative Bottles and Cans Pounds/Person
	48	3.2
Total Schools competing	210	
Percentile	23%	

### **Targeted Material - Food Service Organics - Competition Division**

In this competition schools are competing to see which can recycle the largest amount of food service organics per person.\*

	Rank	Cumulative Food Service Organics Pounds/Person
	64	0.86
Total Schools competing	86	
Percentile	74%	

\*Note: In 4 Suffolk café kitchens, there is an organics recycling program for kitchen staff. Our program does not yet involve café customers and our placement in this category represents that our program is not yet available campus-wide.

Suffolk University 2009 vs. 2008 Recycle Mania Performance

**Grand Champion, Per Capita Classic,  
Waste Minimization Competitions and Gorilla Prize**

Week	Grand Champion		Per Capita Classic		Waste Minimization		Gorilla Prize	
	weekly recycling rate (%)		lbs/ person		lbs/ person		lbs	
	2009	2008	2009	2008	2009	2008	2009	2008
1	34.85%	32.58%	1.98	1.42	5.68	4.37	16,585.00	11,920.00
2	36.61%	36.29%	1.79	1.29	4.88	3.56	14,970.00	10,815.00
