MR. CHAIRMAN, the city of Boston's population is 81% white.
Aparantly feel that if they can't do away with the now outdated school systems such as Boston, in the name of cities in order to save them. How much longer will we in Vietnam, we saw the foot-hardeness of destroying with mental detectors, riot squads, and racial tension. The children of Boston deserve more than a life filled with physical and educational well-being.

Frustration, and uncertainty over their children's The parents of Boston deserve more than anguish.
