HOW TO WORK WITH US

Requesting Services & Submitting Files

Our shop is print-ready. Be sure your project is complete and sized correctly before you submit it! If you're a student, you may submit your files in person or via email. If you're a faculty or staff member, you can also use our online ordering system, found at <https://ramprintcenter.ricohtrac.com>. If your project is too large, please bring it to us on a flash drive. While we prefer and recommend PDFs, we will accept Microsoft Word and PowerPoint files too. You'll find more details about the ordering process on our website.

Please allow 24–48 hours to complete your job, especially for high-quantity and/or multi-step (e.g., printing, cutting, and mounting) requests.

Paying for Services

Faculty & Staff: Provide your Center Code when submitting jobs.
Students: Use your Ram Card's Ram Account funds.

Picking Up Your Project

We'll email you once your job is complete and ready for pickup.
