

Suffolk LinkedIn Learning

Access to online training

Free video tutorials for all Suffolk University faculty, staff & currently enrolled students.

LinkedIn Learning formally Lynda.com.

GOTO: www.suffolk.edu/linkedinlearning

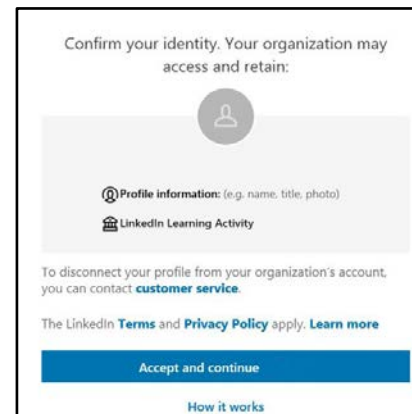

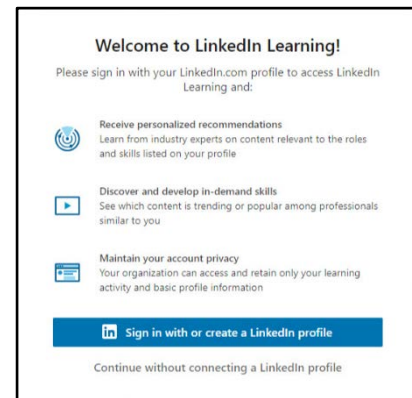

Click the [Sign In](#) link to login using your Suffolk University username and password

You will have the option to Sign in with and bind your LinkedIn profile or create a linkedIn profile

The benefits of binding a LinkedIn profile:

- Allows the system to suggest relevant content
- Stores all your work history in a central hub
- Will suggest LinkedIn Learning content as you engage with your LinkedIn profile

Your LinkedIn Learning account will access and retain some of your LinkedIn profile information (name, title, photo) - Click Accept & Continue

Cross-Departmental Collaboration

Information Technology, Human Resources & The Center for Teaching & Scholarly Excellence are working in conjunction to assist users in their online learning objectives. If you have any questions or would like assistance with your courses or professional development, call the Service Desk at 617 557-2000
