Hello, and welcome to the training video on How to Drop a Course.

From suffolk.edu's quick links menu, select and log into Self-Service.

To drop a course, select the Academics tab and then Register for Classes.

Below each course you have registered there's a Drop button, click on the Drop Course button.

The course will be removed from your plan schedule for the term.

Should you need any assistance, you may contact the registrar's office at uro@suffolk.edu or call 617-557-2010.
