00:01 Hi, my name is Zoya Quraishi.
00:02 I use she her pronouns
00:04 and I'm the associate director
00:05 in Orientation, New Student and Family Programs.
00:08 Beyond orientation, a big part of our office
00:10 is supporting all new students
00:12 through their entire first year at Suffolk.
00:15 You'll receive a phone call about once a month
00:17 from your RAN Supporter.
00:18 Your RAM Supporter is an upper-class student
00:20 who's here to support you
00:22 as you navigate your first year at Suffolk.
00:24 I highly encourage you to pick up the phone they call
00:27 and to use them as a resource.
00:28 They know a lot about the university,
00:30 whether it be campus life, academics, financial aid,
00:33 and if they don't know the answer,
00:34 they're going to help you search for the person who does.
00:37 If you happen to find yourself
00:38 on the eighth floor of Sawyer,
00:40 we're all the way at the end of the hall in Sawyer 825.
00:44 Please feel free to stop by and say hello.
