Suffolk University Commuter Survey

November 28, 2018

Suffolk University Graduate Student Survey Spring 2018

Reason for Survey:

Suffolk University is conducting this survey to collect information which will be provided to the Massachusetts Department of Environmental Protection (MassDEP) to comply with the "Rideshare" air quality regulation (310 CMR 7.16). The regulation requires large employers or educational facilities to periodically survey employees and students to determine their commuting patterns and to provide programs that will encourage employees and students to use sustainable commuting modes (public transit, carpool/vanpool, biking, and walking).

How this Survey Relates to You:

You have been selected at random to participate in this survey. Please take a few moments to complete the following questions. Note that all responses will be kept confidential.

Suffolk University is conducting this survey in collaboration with VHB. If you have any questions about the survey, please contact Selma Mandzo-Prelidzic at VHB, Email: smandzo@vhb.com, Phone: (617) 607-2943
