## DOUBLE COUNTING

Double counting a course toward two requirements does not earn additional credits beyond the assigned number. When applying a double count option, double check your total credits earned and enroll in additional elective credit as needed.

## LEGEND

* Students required to complete ENG 099 may be allowed to waive WRI 101 with a grade of “B” or better and the approval of the English Department. Students who are invited to complete WRI H103 and earn a “B” or better satisfy the two Writing Requirements. Waiving a course does not earn credits.

** Some non-course options for Local/Global Engagement require a zero credit co-requisite. Remember to read the details of your preferred options on MySuffolk.

*** All students w/Transfer Admission Status and 30 credits waive SBS 100. Transfer students with 45 credits or more ALSO waive SBS 200.
