Appointment Summary

Went over potential major change from BS/CMPSC to BA-Applied Math Actuarial Science while retaining CMPSW as a minor--went over his timeframe to finish (19SP) which has been helped by his 24 cr of FR BAC incoming for 15FA (was at SU madrid in year 1).

Major change plus minor can be finished by 19SP--he plans to take some summer courses to increase flexibility down the road

left with change of major / minor form to go to MATH
