

## Stockholm Business School Summer Programme

Join Stockholm Business School for our international summer school programme.

Learn more about current topics in business administration and get to know Stockholm, Scandinavia's business and cultural hub.

Experience Swedish culture, through introductory seminars on Sweden as well as through excursions to local landmarks.

The University provides a safe and dynamic learning environment, the perfect opportunity to meet and collaborate with students from around the globe.

Take the opportunity to study at one of the top 100 universities in the world!
