

CLAS now offers Online Tutoring Services for Students!!!

- **Your tutor will send you an email with basic instructions and a request for materials, followed by a link that allows you to join the remote tutoring session!**
- **Be sure to enable your microphone and camera feature to effectively communicate with your tutor!**

This allows you to have a remote tutoring session via a laptop, desktop computer, or tablet!

A wide variety of subjects are available for online tutoring:

- **ACCT 201**
