25. Question #1 would establish Patient to Nurse Limits. A YES VOTE would limit the number of patients that could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits. At this point, will you vote yes or no?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?

25. Question #1 would establish Patient to Nurse Limits. A YES VOTE would limit the number of patients that could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits. At this point, will you vote yes or no?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?

25. Question #1 would establish Patient to Nurse Limits. A YES VOTE would limit the number of patients that could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits. At this point, will you vote yes or no?

28. Question #3 is the Transgender Anti-Discrimination proposal. A YES VOTE would keep in place the current law, which prohibits discrimination on the basis of gender identity in places of public accommodation. A NO VOTE would repeal this provision of the public accommodation law. At this point, will you vote yes or no?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?

25. Question #1 would establish Patient to Nurse Limits. A YES VOTE would limit the number of patients that could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits. At this point, will you vote yes or no?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?

25. Question #1 would establish Patient to Nurse Limits. A YES VOTE would limit the number of patients that could be assigned to one registered nurse in hospitals and certain other health care facilities. A NO VOTE would make no change in current laws relative to patient-to-nurse limits. At this point, will you vote yes or no?

29b. Democratic nominee Jay Gonzalez has proposed a new 1.6% tax on the endowments of the state's wealthiest private colleges and universities that his campaign says would generate in excess of \$1 billion dollars per year for education and transportation initiatives. The tax would apply to nine schools in Massachusetts. Those institutions say that the tax will hurt their ability to fund scholarships and other key programs. At this point, do you support or oppose this new tax proposal?
