21. The state's emergency shelter law for homeless families has come under tremendous strain over the past two years, with more than 18,000 people currently housed in its network and the state on track to spend close to a billion dollars over the next fiscal year. Who do you believe is most responsible for this situation?

23. Do you strongly support, somewhat support, somewhat oppose, or strongly oppose a tax increase of 10 cents per alcoholic drink if the money were designated specifically to reduce underage drinking, help schools provide comprehensive services for K-12 students and their families, and support alcohol and drug treatment and prevention, domestic violence prevention, and suicide prevention?
