25. President Trump hasn't followed the traditional system for pardons, which involves an extensive Justice Department review. Which comes closer to your view: 1>President Trump should rely on the Justice Department to make recommendations before he issues pardons or 2>President Trump is doing the right thing in making his own judgments on pardons.

25. President Trump hasn't followed the traditional system for pardons, which involves an extensive Justice Department review. Which comes closer to your view: 1>President Trump should rely on the Justice Department to make recommendations before he issues pardons or 2>President Trump is doing the right thing in making his own judgments on pardons.
