49. If Donald Trump wins the presidency, there is widespread expectation in the legal and political communities that he will get the Justice Department to dismiss the pending criminal cases brought against him charging him with trying to overturn the 2020 election and with mishandling sensitive documents. Do you think this is the right thing or the wrong thing for him to do?

49. If Donald Trump wins the presidency, there is widespread expectation in the legal and political communities that he will get the Justice Department to dismiss the pending criminal cases brought against him charging him with trying to overturn the 2020 election and with mishandling sensitive documents. Do you think this is the right thing or the wrong thing for him to do?

49. If Donald Trump wins the presidency, there is widespread expectation in the legal and political communities that he will get the Justice Department to dismiss the pending criminal cases brought against him charging him with trying to overturn the 2020 election and with mishandling sensitive documents. Do you think this is the right thing or the wrong thing for him to do?

49. If Donald Trump wins the presidency, there is widespread expectation in the legal and political communities that he will get the Justice Department to dismiss the pending criminal cases brought against him charging him with trying to overturn the 2020 election and with mishandling sensitive documents. Do you think this is the right thing or the wrong thing for him to do?

49. If Donald Trump wins the presidency, there is widespread expectation in the legal and political communities that he will get the Justice Department to dismiss the pending criminal cases brought against him charging him with trying to overturn the 2020 election and with mishandling sensitive documents. Do you think this is the right thing or the wrong thing for him to do?
