INT00
Hello, my name is ____ and I'm conducting a survey for Suffolk University and I'd like to get
your opinions on some political questions. Do you have two minutes to answer four questions?
        N=                                                        300 100%
        Continue ....................................... 00        300 100%

GENDR
Gender (DO NOT ASK)
        Male ........................................... 1         141  47%
        Female ......................................... 2         159  53%

Q2. How likely are you to vote in the upcoming city election for Governor on Tuesday –
very likely, somewhat likely, not very likely, not at all likely, or have you already voted?
        N=                                                        300 100%
        Very likely .................................... 1         288  96%
        Already voted .................................. 2          12   4%

Q3. What is your age category?
        N=                                                        300 100%
        18-45 YRS ...................................... 1          82  27%
        46-65 YRS ...................................... 2         118  39%
        Over 65 years .................................. 3          92  31%
        Other    ....................................... 4           8   3%

Q4. Are you currently registered as a Democrat, Republican, or Unenrolled/Independent?
        N=                                                        300 100%
        Democrat  ...................................... 1          86  29%
        Republican ..................................... 2          29  10%
        Unenrolled/Independent  ........................ 3         181  60%
        Refused ........................................ 4           4   1%

Q5. For Governor, there are five candidates listed on your ballot in the following order:
Republican Charlie Baker, Democrat Martha Coakley, United Independent Party Evan Falchuk,
Independent Scott Douglas Lively, or Independent Jeffrey McCormick.  At this point will you
vote or lean toward Baker, Coakley, Falchuk, Lively, or McCormick?
        N=                                                        300 100%
        Charlie Baker – Republican ..................... 1         135  45%
        Martha Coakley – Democrat ...................... 2         132  44%
        Evan Falchuk – United Independent Party ........ 3          14   5%
        Scott Douglas Lively - Independent.............. 4           2   1%
        Jeffrey McCormick – Independent ................ 5           4   1%
        Undecided ...................................... 6          11   4%
        Refused ........................................ 7           2   1%
