Q25. Currently public employee unions are struggling with city and town budget issues. In Massachusetts, what do you think about the power of public employee unions - do you think they have too much power, too little power, or are just about right?

Q25. Currently public employee unions are struggling with city and town budget issues. In Massachusetts, what do you think about the power of public employee unions - do you think they have too much power, too little power, or are just about right?
