START
Hello, , my name is _____ and I am conducting a survey for Suffolk
University and I would like to get your opinions on some political questions.
Would you be willing to spend 45 seconds answering 4 questions? <ROTATE>
        N=                                                    300 100%
        Continue ....................................... 1      ( 1/ 91)  300 100%

S1
S1. How likely are you to vote in the upcoming Presidential election this
November - would you say you are very likely, somewhat likely, somewhat
unlikely, or not at all likely?
        N=                                                    300 100%
        Very likely .................................... 1      ( 1/ 92)  282  94%
        Somewhat likely ................................ 2                  18   6%
        Somwhat unlikely ............................... 3                   0   0%
        Very unlikely .................................. 4                   0   0%

        N=                                                    300 100%
        Male ........................................... 1      ( 1/ 95)  141  47%
        Female ......................................... 2                 159  53%

S2
S2. Are you currently registered to vote as a Democrat, Republican, or
Unenrolled/Independent?
        N=                                                    300 100%
        Democrat ....................................... 1      ( 1/ 96)  126  42%
        Republican ..................................... 2                 103  34%
        Unaffiliated/Ind ............................... 3                  58  19%
        Other .......................................... 4                   2   1%
        DK/RF/NOT REG .................................. 5                  11   4%

S3
S3. What is your age category?
        N=                                                    300 100%
        18-25 .......................................... 1      ( 1/ 97)   19   6%
        26-35 .......................................... 2                  40  13%
        36-45 .......................................... 3                  49  16%
        46-55 .......................................... 4                  60  20%
        56-65 .......................................... 5                  56  19%
        Over 65 ........................................ 6                  76  25%

Q4
Q4. There are 16 candidates for President printed on your ballot. Of these,
the 5 major candidates are: Libertarian Bob Barr, Republican John McCain,
Green Party Cynthia McKinney, Independent Ralph Nader {NAY-der}, and Democrat
Barack Obama. At this point, for whom would you vote? (or lean?)
        N=                                                    300 100%
        Bob Barr ....................................... 1      ( 1/ 98)    3   1%
        John McCain .................................... 2                 130  43%
        Cyntiha McKinney ............................... 3                   0   0%
        Ralph Nader .................................... 4                   4   1%
        Barack Obama ................................... 5                 135  45%
        Undecided (DO NOT READ) ........................ 6                  26   9%
        Refused (DO NOT READ) .......................... 7                   2   1%
