Q32. The DREAM act would provide a path to citizenship for young people who came to the U.S. as children and are not legal citizens. Under the act, eligible students could apply for a conditional legal status provided they graduated from a two-year college, complete two years of a four-year university, or serve in the military for two years. Would you say that you strongly support, somewhat support, somewhat oppose or strongly oppose the DREAM Act?

Q32. The DREAM act would provide a path to citizenship for young people who came to the U.S. as children and are not legal citizens. Under the act, eligible students could apply for a conditional legal status provided they graduated from a two-year college, complete two years of a four-year university, or serve in the military for two years. Would you say that you strongly support, somewhat support, somewhat oppose or strongly oppose the DREAM Act?
