27. The November 4th ballot will include a question to amend the North Carolina Constitution as follows: It would provide that a person accused of any criminal offense in Superior Court for which the state is not seeking a sentence of death may waive the right to trial by jury and instead be tried by a judge. Would you be for or against this proposed amendment?

37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?

37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?

37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?

37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?

27. The November 4th ballot will include a question to amend the North Carolina Constitution as follows: It would provide that a person accused of any criminal offense in Superior Court for which the state is not seeking a sentence of death may waive the right to trial by jury and instead be tried by a judge. 37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?

27. The November 4th ballot will include a question to amend the North Carolina Constitution as follows: It would provide that a person accused of any criminal offense in Superior Court for which the state is not seeking a sentence of death may waive the right to trial by jury and instead be tried by a judge. Would you be for or against this proposed amendment?

37. In February of this year 40,000 tons of toxic coal ash spilled from a Duke Energy power plant in Rockingham County into the Dan River. Governor McCrory and his administration have been criticized for their slow reaction to the spill and delays in the site cleanup. Do you agree or disagree that McCrory is responsible for the delays?
