26. Recently Mitt Romney has inserted himself into the Republican Primary race by criticizing Donald Trump. Some people say that Romney speaks for the majority of the Republican Party and will make the nomination process better. Other people say that Romney had his time as an unsuccessful Republican nominee and should stay out of the 2016 race. Which is closer to your view?

26. Recently Mitt Romney has inserted himself into the Republican Primary race by criticizing Donald Trump. Some people say that Romney speaks for the majority of the Republican Party and will make the nomination process better. Other people say that Romney had his time as an unsuccessful Republican nominee and should stay out of the 2016 race. Which is closer to your view?

26. Recently Mitt Romney has inserted himself into the Republican Primary race by criticizing Donald Trump. Some people say that Romney speaks for the majority of the Republican Party and will make the nomination process better. Other people say that Romney had his time as an unsuccessful Republican nominee and should stay out of the 2016 race. Which is closer to your view?

26. Recently Mitt Romney has inserted himself into the Republican Primary race by criticizing Donald Trump. Some people say that Romney speaks for the majority of the Republican Party and will make the nomination process better. Other people say that Romney had his time as an unsuccessful Republican nominee and should stay out of the 2016 race. Which is closer to your view?

28. Earlier you said you are a Trump voter. If there is a brokered convention and candidates Cruz, Rubio, and Kasich combine their delegates to prevent Donald Trump from getting the nomination, what will you do in November - support the Republican nominee, vote for Democrat Hillary Clinton, vote for an Independent candidate, or not vote for president this fall?
