30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

31. Question #2 is the marijuana question and would regulate and tax marijuana similar to alcohol. If passed, persons at least 21 years old would be allowed to possess and use a limited amount of marijuana. Giving or selling marijuana to minors, driving under the influence of marijuana, and marijuana use in public would remain prohibited. At this point will you vote FOR or AGAINST this question?

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

31. Question #2 is the marijuana question and would regulate and tax marijuana similar to alcohol. If passed, persons at least 21 years old would be allowed to possess and use a limited amount of marijuana. Giving or selling marijuana to minors, driving under the influence of marijuana, and marijuana use in public would remain prohibited. At this point will you vote FOR or AGAINST this question?

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

31. Question #2 is the marijuana question and would regulate and tax marijuana similar to alcohol. If passed, persons at least 21 years old would be allowed to possess and use a limited amount of marijuana. Giving or selling marijuana to minors, driving under the influence of marijuana, and marijuana use in public would remain prohibited. At this point will you vote FOR or AGAINST this question?

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...

30. There are several questions on your ballot this November. Question #1 is for background checks for gun owners. It would require that an unlicensed person who wishes to sell or transfer a firearm to another person must conduct the transfer through a licensed gun dealer who runs a background check on the potential buyer or transferee. Transfers between immediate family members and temporary transfers while hunting or for immediate self-defense are exempt. At this point will you vote FOR or AGAINST this...

31. Question #2 is the marijuana question and would regulate and tax marijuana similar to alcohol. If passed, persons at least 21 years old would be allowed to possess and use a limited amount of marijuana. Giving or selling marijuana to minors, driving under the influence of marijuana, and marijuana use in public would remain prohibited. At this point will you vote FOR or AGAINST this question?

32. Question #3 is the energy deregulation question and would give electric utility customers the right to choose their service provider from an open retail market based upon price, reliability, and other factors. This includes the right to produce electricity from renewable energy sources and to sell that electricity on the open market. The petition directs the legislature to enact laws providing for an open competitive electricity market no later than the year 2023. At this point will you vote FOR...
