19. Reparations for slavery is the idea that some form of payment - either direct payments or investments to help aggrieved communities - needs to be made to the descendants of Africans to counter the lasting impact of slavery. Do you support or oppose the idea that some form of payment needs to be made to the descendants of African slaves?

19. Reparations for slavery is the idea that some form of payment - either direct payments or investments to help aggrieved communities - needs to be made to the descendants of Africans to counter the lasting impact of slavery. Do you support or oppose the idea that some form of payment needs to be made to the descendants of African slaves?

19. Reparations for slavery is the idea that some form of payment - either direct payments or investments to help aggrieved communities - needs to be made to the descendants of Africans to counter the lasting impact of slavery. Do you support or oppose the idea that some form of payment needs to be made to the descendants of African slaves?

19. Reparations for slavery is the idea that some form of payment - either direct payments or investments to help aggrieved communities - needs to be made to the descendants of Africans to counter the lasting impact of slavery. Do you support or oppose the idea that some form of payment needs to be made to the descendants of African slaves?

19. Reparations for slavery is the idea that some form of payment - either direct payments or investments to help aggrieved communities - needs to be made to the descendants of Africans to counter the lasting impact of slavery. Do you support or oppose the idea that some form of payment needs to be made to the descendants of African slaves?
