8. Voters will be asked two separate questions in the recall election. The first will ask if Newsom should or should not be recalled. A "yes" vote means you want to REMOVE Newsom as governor, and a "no" vote means you want Newsom to REMAIN governor. If you were filling out your ballot right now, would you vote yes, to remove Gavin Newsom from office? Or would you vote no, to keep Gavin Newsom in office?

9. The second question will ask who should replace Newsom and serve out the rest of his term if he is removed from office. Regardless of how you vote on the first question, you will have the opportunity to also vote on who should replace Newsom if he is recalled or to leave the question blank. On the second question, which candidate would you like to replace Newsom if he is recalled, or will you leave the second question blank?

9. The second question will ask who should replace Newsom and serve out the rest of his term if he is removed from office. Regardless of how you vote on the first question, you will have the opportunity to also vote on who should replace Newsom if he is recalled or to leave the question blank. On the second question, which candidate would you like to replace Newsom if he is recalled, or will you leave the second question blank?
