26. Another ballot initiative would change how Nevada's minimum wage is handled. It closely mirrors existing state law but would allow the State Legislature to increase the minimum wage and would never let the state's minimum wage fall below the federal minimum wage. At this point, do you strongly support, somewhat support, somewhat oppose, or strongly oppose this ballot initiative?

26. Another ballot initiative would change how Nevada's minimum wage is handled. It closely mirrors existing state law but would allow the State Legislature to increase the minimum wage and would never let the state's minimum wage fall below the federal minimum wage. 26. Another ballot initiative would change how Nevada's minimum wage is handled. It closely mirrors existing state law but would allow the State Legislature to increase the minimum wage and would never let the state's minimum wage fall below the federal minimum wage. 26. Another ballot initiative would change how Nevada's minimum wage is handled. It closely mirrors existing state law but would allow the State Legislature to increase the minimum wage and would never let the state's minimum wage fall below the federal minimum wage. At this point, do you strongly support, somewhat support, somewhat oppose, or strongly oppose this ballot initiative?
