10. In addition to other offices, voters will also decide on a ballot question called Amendment 1. A yes vote would require a two-thirds vote of the state legislature to approve any increase to the personal income or corporate tax rate in Iowa. A no vote would make no changes to how taxes are altered or raised. At this point would you vote yes or no on this ballot question?

10. In addition to other offices, voters will also decide on a ballot question called Amendment 1. A yes vote would require a two-thirds vote of the state legislature to approve any increase to the personal income or corporate tax rate in Iowa. A no vote would make no changes to how taxes are altered or raised. At this point would you vote yes or no on this ballot question?

10. In addition to other offices, voters will also decide on a ballot question called Amendment 1. A yes vote would require a two-thirds vote of the state legislature to approve any increase to the personal income or corporate tax rate in Iowa. A no vote would make no changes to how taxes are altered or raised. At this point would you vote yes or no on this ballot question?
