# FUTURE OF THE ARTS PROJECT

S'corra Thimas, Rachel Doan, Sophie Jurkiewicz, Jonathan DiMaggio, Gabi Munn

# PROBLEM CONTEXT

- Lack of a proficient art based curriculum in Boston Public Schools
- Not enough required arts education within the BPS

# SOLUTION

- **Educate school administration and public**
- **Expand the art curriculum in Boston Public High Schools**
- **Create awareness specifically towards school superintendents and teachers**
- **Use a podcast to easily convey information to our targeted audience**

# GERNE RATIONALE

- We decided to do this project to inspire future educators and current to help incorporate better arts programs within public high schools
- We want future high school students to be able to experience the great arts education's that we have!
