*Human Rights Project is a fall course for 2 credits with Professors Graham and Chavarro. It will be open to students who have taken or are taking the Human Rights Survey, or have taken an International Law course that included a human rights component. This is an experiential learning course, in which students will develop and work on a human rights project that increases domestic awareness and implementation of international human rights norms. A meeting time for the class will be established based on student availability. There is limited enrollment and students must register for it separately from the human rights survey course.
