Student Disclosure Statement and Signature

I certify that the information contained in this application is true and complete. I understand:

1. If I am not meeting the university [Satisfactory Academic Progress \(SAP\)](#) requirements after the spring 2023 term, my summer aid will be revoked, even if it has already been disbursed to my student account and I have received a refund. I understand that I will be responsible for any resulting balance due to Suffolk University.
2. I must be enrolled at least half-time in my program of study to receive federal loan(s) for summer classes.
3. I must notify Student Financial Services in writing with any changes in enrollment status.
4. Grant/Scholarship funds are not available for summer enrollment, unless I am enrolled in the JD Accelerated Program, or a Dual Degree Accelerated Program or the program director awards a scholarship.
5. If visiting another school or studying abroad, I understand that my loan proceeds will not be available to me before I leave for my program. I can expect an electronic refund through SUPay on the Self-Service Portal.
6. If I receive a Summer Federal Work Study Award or other type of financial assistance, my summer financial aid will be reduced and I may have a summer balance owed to Suffolk University.
7. If I receive federal loans and I withdraw from a summer class after the class begins, my financial aid counselor is required to recalculate my federal loan eligibility. If I withdraw from my summer program after the start date, I will be assessed tuition liability as stated on the Student Account Services website and my federal loan eligibility will be recalculated in accordance with federal regulations. This could result in an outstanding tuition balance owed to Suffolk University.

If I have questions about summer financial aid and my eligibility, I will consult with my [financial aid counselor](#) in the Student Financial Services Office.
