Lemuel Shattuck Hospital

170 Morton Street, Jamaica Plain, MA 02130

617-522-8110

A fully accredited teaching facility that provides acute, subacute, and ambulatory care to patients referred by public agencies and private sector providers. The Hospital's services enable economically and socially disadvantaged patients to obtain high quality, cost-effective care from a staff that respects their dignity.

Manages about 255 inpatient beds, and an array of outpatient services. The Inpatient services fill several gaps in the health care system, including the need for extended care for individuals from the community with co-morbidities and psycho-social issues that are challenging for other providers. Inpatient beds managed by the Massachusetts Department of Mental Health provide continuing care to individuals with severe and chronic mental illness. The Hospital collaborates with the Massachusetts Department of Correction and the County Sheriffs to provide state and county inmates with high quality inpatient and outpatient care in a safe and secure setting.

Monday thru Friday 8:00 am to 5:00 pm. Homelessness prevention, affordable housing, and meeting basic needs. Programs include: Providing furniture for the homeless moving into new housing. The HomeLink Initiative is designed to work with community health centers, public school districts and early intervention workers to help identify households that are having a housing crisis and then offer quick assistance to ensure that they remain stably housed. HomeLink offers comprehensive homelessness prevention and housing assistance through intensified case management, housing search, and landlord tenant mediation services to at-risk families and individuals. Highland Kids Initiative: Over a 48 month period, the Initiative will work with each of the families on an individual basis, offering critical housing support through housing subsidies that allows these low-income families to only pay 30% of their income towards the rent. This time limited subsidy, along with wraparound case management is what makes it possible for these families and their children to thrive. A Bed for Every Child Initiative, where they are raising funds to purchase a twin mattress, frame and linens for each student referred to us by our partners.
