2021– 2022 Income and Expense Worksheet

Student’s Name _____ **ID Number** _____

The income information that you/your parent(s) reported on your 2021-22 FAFSA does not appear to provide sufficient financial support for the number of household family members reported on your 2021-22 FAFSA. Please complete this worksheet so we may accurately assess your family’s financial situation. *Include information regarding income and expenses from the 2019 calendar year (January 1, 2019 through December 31, 2019.)*

On the chart below, please list resources, benefits, and other amounts received by the student/parent(s) and any other member of the household. Also, list the expenses the family incurred in 2019.

The financial income/support section may include items that were not required to be reported on the FAFSA or other forms submitted to the financial aid office. Untaxed Social Security Benefits, SSI, Federal Veterans Education benefits, military housing allowance, SNAP, TANF, etc. must be reported on this form if received by a household family member in 2019.
