### 2022 – 2023 Appeal Application for Additional Aid

If you wish to appeal the aid decision rendered by the Office of Student Financial Services you must complete this application in full. Please remember the Office of Student Financial Services has already extended our best possible offer based on available funding and information reported on your application.

**This appeal should be based on changes to your family circumstances which are not reflected on your 2022-23 FAFSA. If the student's file has been selected for Verification, the file must be complete and verified before this appeal will be reviewed.**

**Note to new students: Suffolk University does not “match” offers from other schools. Appeals requesting an award match from another university will not result in an increased award package.**
