

00:01 Hi.

00:03 My name is Cat, and I'm a government major here

00:05 at Suffolk from Taunton, Massachusetts. Welcome to the Miller Residence Hall, a quick walk from all of our academic buildings.

00:09 Let me take you on a tour.

00:14 Welcome to the 19th floor common area.

00:16 I always loved coming here my first year to hang out with my friends, do some homework, and play some board games.

00:21 Check out the view we have over here.

00:26 In Miller, most rooms are suite style.

00:28 That means there's a double connected by a bathroom to one other double.

00:32 So only four people are sharing a bathroom.

00:36 Some students live in quads, which are located on every other floor with a great view of the Boston skyline.

00:46 Whether you want a quick bite before class, lunch in the middle of the day, or dinner in the evening,

00:50 Miller Residence Hall has a dining hall right inside that is convenient and close to all of our classes.

00:57 Our Suffolk community always works with students who have dietary restrictions, so that everyone can enjoy eating on campus.

01:07 The cafe often switches up its menu, but it always keeps in stock students' favorite staples, like pizza, soups, or, my go-to, chicken tenders.

01:16 I'm always happy that I made the decision to live on campus my first and second years.

01:20 Being conveniently located to our academic buildings, I was able to manage my classes and make a lot of friends.

01:26 Thank you for joining me on a tour of Miller Residence Hall.

01:28 I encourage all of you to keep viewing Suffolk University to see all that it has to offer.
