MAKE YOUR MOVE
We make transferring simple

SUFFOLK UNIVERSITY
BOSTON
Emily Boyle wanted more out of her college experience. Having grown up amid the orchards of Stow, Massachusetts, she began her undergraduate studies at a state university—and felt like she’d never left high school. “I thought college was supposed to be different,” she says, “this whole exciting new experience.”

Know where you’ll encounter exciting experiences every day? Suffolk University.

Suffolk students are true originals who gain the confidence to think in bold new ways. Here, they dive into rich, interdisciplinary studies spanning our entire university. They go further faster in our accelerated graduate degree programs. They become campus leaders in our 100+ student organizations. And they do it all in the middle of a city filled with opportunities to put classroom studies to work in jobs and internships that surround our downtown campus.

After being accepted to Suffolk at a Transfer On-the-Spot Decision interview, Emily, Class of 2022, declared her major in psychology and a minor in women’s and gender studies. She’s already put her education to work as a resident assistant for the past two years. “Suffolk showed me that I can truly make a difference for students,” she says.

Emily’s also gained perspective on her own journey. “If one school’s not right for you, that’s okay,” she says; “it’s not giving up.”

“My freshman year self would be so proud. I’m not afraid to be my genuine self, whether I’m wearing a creative outfit to class or standing up for myself or my residents, advocating for what’s right.”
We Make It Easy

Students transfer to Suffolk from all kinds of institutions, all over the country. **In fact, nearly a fifth of Suffolk undergraduates** are transfer students—and **66 percent** of those students transfer from four-year schools.

They do it because we make it easy, with one-on-one academic advising, a special orientation just for transfer students, and the ability to **transfer up to 75 semester hours** from their current college or university. Courses must be from a regionally accredited institution, completed with a grade of C- or higher to transfer, and cannot be remedial or developmental in level.

**Guaranteed Admission with MassTransfer**

If you currently attend a Massachusetts Community College, you’re guaranteed admission with a minimum of 45 completed semester hours and 2.5 GPA in a qualifying MassTransfer program! Plus:

- Full transfer of credit (not including developmental or remedial courses)
- A merit scholarship of at least one-third of your tuition, provided you have an overall GPA of 3.0
- If you’ve completed it, the MassTransfer General Education Foundation will fulfill your general education and core requirements
- Use of the Guaranteed Admission Application with no essay and no application fee

Note: Certain programs may require the completion of additional Suffolk courses. [suffolk.edu/masstransfer](suffolk.edu/masstransfer)

**Transfer On-The-Spot**

Schedule a virtual or in-person visit with an admission counselor. Submit your application materials. Get a decision on-the-spot. [suffolk.edu/ugvisit](suffolk.edu/ugvisit)

**Housing**

As a transfer student, you might have a year of University-sponsored housing, which will be awarded on a space-available basis.

**Transfer Information Sessions**

Register for a virtual or in-person information session designed specifically for transfer students. A transfer counselor and academic advisor will be available for questions. Evening options are available.

Transfer up to **75 semester hours** from a regionally accredited institution.
We Make It Worth It

Students transfer to Suffolk because they find things here they won’t find anywhere else: a university big enough to offer the resources they need, small enough to enable real connection with faculty mentors and classmates, and flexible enough to let them take their futures in any direction they choose.

Accelerated Paths to Grad School
Once you graduate from Suffolk, take your studies to the next level with one of our 50+ graduate degree programs. Or don’t wait until you graduate—earn credit toward a Suffolk grad degree as an undergrad in one of our accelerated programs (we have 10 and counting). Eligibility depends on your credits.

Study Abroad
Going to school in Boston doesn’t always mean staying in Boston. Suffolk students study abroad in more than 50 locations across the globe, including our own campus in Madrid, Spain. Spend a week, a semester, or a year—whatever works for you.

Internships
Real-world learning experiences, like internships, are the backbone of a Suffolk education. When you transfer here, you can add an internship to your academic studies. And in the middle of downtown Boston, you’ll be down the street from hundreds of opportunities.

Honor Society Scholarships
The Phi Theta Kappa honor society has placed Suffolk on its 2022 Transfer Honor Roll. If you’re a member, you can qualify for a special scholarship and admission to Suffolk’s Honors Program. Alpha Beta Gamma society members are also eligible for special scholarship assistance when they transfer.

How to Apply

Materials
- Transfer Common Application (commonapp.org) or Suffolk University Online Application (uga.suffolk.edu/apply), plus $50 application fee (waived if you visit campus or attend a virtual admission event)
- Official transcripts from all colleges attended
- Official TOEFL/IELTS results (non-native English speakers only; waived if you’ve completed the equivalent of College Writing I and II with a grade of B or higher)
- Art & design applicants: Portfolio of artwork

Transfer Credits
We maximize the amount of transfer credits you can receive and accept up to 75 in total. If admitted, you’ll receive a detailed credit equivalency showing how each course transfers to Suffolk, along with your decision letter. You will also receive a Degree Evaluation form that shows your academic progress applied toward a Suffolk degree.

If you decide to attend Suffolk, an advisor will work with you one-on-one to help you select classes before orientation.
